Echelon,

Excellent work last week... It's great to have everyone back in action spreading the word. There is still plenty of work to be done. Keep up the energy and let's continue to pave the way for A BEAUTIFUL LIE...

{ Mission: stream ATTACK everywhere }

This week, we start phase 2 in getting the world ready for A BEAUTIFUL LIE. Lately everyone has been spending a lot of time on MySpace, Xanga, and other blogs and personal websites, so let's make sure everyone is listening to ATTACK while they are online. **Here's what to do:**

- Use the [CODE](#) below to stream "[Attack](#)" on your personal websites, MySpace/LiveJournal/Xanga pages, or other blogs. (This code will make ATTACK automatically play when anyone is on your page)
- Use your [ONLINE LOG](#) to tell us where it's playing...
